EMOTIONAL PERFORMANCE FABRICS

BLISS is a new brand created by people who have been in the textile industry for a very long time. We have inherited the technical knowledge and resources of Citel – the outdoor performance fabrics manufacturer founded back in 1875 in Barcelona – and added a special sensitivity and aesthetic perspective. BLISS mission is to manufacture performance and decorative fabrics made by and for the senses.

Our team wanted to create a brand that not only demonstrated their technical know-how regarding 100% solution-dyed acrylic fabrics, but also expressed their philosophy of life. BLISS is built on passion, new ideas, effort and an ongoing desire for improvement.

Creating is our favourite state of mind - our bliss -, and the desire to imagine, envision and manufacture fabrics that are truly special is our very reason for being.

JOY collection

Optimism is in our DNA. We create fabrics because this is what makes us happy, and we would like to convey this feeling through our Joy collection. Our desire is to help people listen to their emotions, focus on what is important in life and appreciate the little moments.

The Joy collection is based on the passion, intensity and euphoria that we experience when we are in our Creative Lab surrounded by colours, yarns and crazy ideas.

These colours and textures are the ones that really make us feel Bliss. The purpose of this collection is aim to create happy outdoor living spaces.
